

# TRANSPORTATION SERVICES

---

Dear Parking Registrant,

Please be advised that Bowie State University will be hosting their commencement ceremony on Tuesday, May 22 at 10 a.m. in the Xfinity Center. We recommend you allow for extra time during your commute, as we expect heavy traffic and delays on and around campus with the arrival and departure of visitors.

Parking attendants and the UMPD will be onsite to guide traffic. Commencement guests will be directed to park in lots 4, 6, 9 and 11. **Employee parking areas should be available as usual.** Please note that faculty/staff overflow lots are as follows: K, P, U, V, X1, XX1, Z, Stadium Drive Garage and lots 1, 2, 3, 4, 5, 6, 7, 9, 11, 16 and 17.

**We strongly urge commuters to enter campus at Rt 193 and Stadium Drive or at Campus Drive and Adelphi Road to avoid traffic near the Xfinity Center.** Please follow @UMPD on Twitter for the most current traffic information. We invite you to view this [interactive campus map](#) to familiarize yourself with alternate routes and parking locations.

Thank you for your flexibility and patience as the university welcomes these campus guests.

Sincerely,

DOTS
